13	Varied, interesting line up, inclusive atmosphere.	9/4/2020 4:57 PM
14	You have hosted great live music events. The space is nice and open and a great size, the stage area is really decent, the sound guy who we have mainly had mixing our sound when we have played there does an incredible job. Was most impressed about how much the really tall gent that works there and/or co owns the place? (I'm so sorry i've forgot his name!) made an impressive stage desk/platform one gig so quickly and cleverly! (clearly showing much respect for the requests of a performer) You are so inviting and a great host (one time i thoroughly enjoyed an amazing dinner and wine pre-gig, Ill never forget that, thank you) and yeah always had a great time in the venue, the only downside is you don't stock enough stouts/porters! But that isn't too much of a problem really :)	9/4/2020 4:20 PM
15	Create a relaxed and friendly environment out of the centre of town for alternative arts	9/4/2020 3:26 PM
16	Cobalt events always tends to attract a diverse set of people, rather than the very narrow demographic you get at places like Cosmic. I think this, coupled with the layout and lovely staff, results in a unique vibe that's pretty much unmatched in the city.	9/4/2020 2:38 PM

46	Providing space for people to come together to enjoy either art & music.	9/3/2020 1:37 PM
47	I particularly enjoyed the creative electronics events and the life drawing classes. Both were relaxed environments and a welcome change from some of the more stuffy venues in the middle of Newcastle. I already know I'm not much of an artist so not having someone lean over your shoulder and comment is a pleasant change. More please. I'd certainly attend more art classes when they resume, not just life drawing sessions.	9/3/2020 1:34 PM

## Q11 How would you like to see us improve?

#	RESPONSES	DATE
1	possibly more visual arts events, continuing with fresh music nights- love them!	9/10/2020 12:44 PM
2	Extend bar space or alternative areas to reduce queues at bar during popular club nights. Toilet queues are always too long during club nights.	9/10/2020 11:49 AM
3	I like it as it is	9/8/2020 10:51 PM
4	More seating	9/7/2020 6:56 PM
5	Once monthly club night, consistent 'destination' night	9/7/2020 9:42 AM
6	Keep going	9/6/2020 4:24 PM
7	I like you as you are	9/6/2020 11:33 AM
8	more toilets. musical training coaching and development in the same way as you support development in the visual arts, but this is minor stuff, you have done great and i love coming down	9/5/2020 9:12 AM
9	Can't think of anything	9/4/2020 7:10 PM
10	Cheaper bar price	9/4/2020 7:09 PM
11	You're doing most things people expect and need and doing well, i guess its all about gaining more of an audience, maybe working more with local communities, international audience ( international students university), Youre one of the best around, its just hard to get an audience, certainly if relying on a external promoter who isnt very good. Work alongside other venues and locations, maybe work on a creative artist event that incorporates each others ideas and visions, while using each venue for performance...x	9/4/2020 6:36 PM
12	I need to come down more often and then I can give you better feedback! I've mainly worked evenings so have missed out on many events i would have loved to have been able to get down to. All i have to say is that I just hope you are able to keep afloat during these challenging times and wish you all the best because I really can't think of something that needs improvement!	9/4/2020 4:20 PM
13	Love the venue - nothing	9/4/2020 3:26 PM
14	Keep doing the great work! Longer club nights On weekends would be great! (Past 4am...)	9/4/2020 11:40 AM
15	More support from the City Council. More free range to run events, Keep doing what you do best!	9/4/2020 10:00 AM
16	Perhaps more 'open studio' type open events	9/4/2020 8:44 AM
17	Become more! Have more events, more publicity, become more visited	9/4/2020 6:44 AM
18	-	9/4/2020 12:32 AM
19	Get Bert on the decks 😊	9/3/2020 11:09 PM
20	More workshops/community events.	9/3/2020 10:24 PM
21	open up with no social distancing	9/3/2020 9:24 PM
22	Keep doing what you're doing x	9/3/2020 8:47 PM
23	Better seating area .... although I can't say what has happened since lockdown.	9/3/2020 7:35 PM
24	Nothing, it's great	9/3/2020 6:37 PM
25	oldies club nights (lol)	9/3/2020 6:19 PM
26	I think the only thing would be to maybe take a different approach with promoting events. A lot of thought and effort clearly goes into this already but maybe it would help to enlist help here just to see if it would work. I love the Cobalt and feel that we as a city barely deserve it. So it would be great to see certain events a little more busy. Cobalt has earned the right to bang the drum of it being one of the best venues to watch live music in Newcastle. Perhaps it could host more local music nights like Little Buildings used to though obviously this is easier said than done during the pandemic.	9/3/2020 5:34 PM

27	Just keep putting on more great nights!	9/3/2020 5:33 PM
28	Bar is offputting as I've been charged different prices for the same drink on the same night	9/3/2020 5:22 PM
29	More lasers / big geez on the door playing a fidget house set every other month	9/3/2020 5:22 PM
30	More capacity	9/3/2020 4:53 PM
31	In COVID - external event programming, innovation arts based. Enchanted parks, cheese burn but performance art - day/night scheduling in range of locations.	9/3/2020 4:34 PM
32	Less maybe more? More focussed Programming, once a month music with food for a little more..	9/3/2020 3:00 PM
33	The seating is a bit of a mixed bag, comfort wise. I would have said the loos, but they have improved recently!	9/3/2020 2:58 PM
34	Advertise wider...	9/3/2020 2:51 PM
35	Greater commitment to creating an inclusive space.	9/3/2020 2:33 PM
36	More performances and club nights	9/3/2020 2:23 PM
37	More regular nights for specific genres, dance/techno	9/3/2020 2:22 PM
38	I've been to a lot of great gigs with small audiences.Maybe better listings in places like narc and crack and facebook	9/3/2020 2:02 PM
39	Continue to expand and provide space for the community	9/3/2020 2:00 PM
40	I teach electronic music and elementary computing and, pre-lockdown, I spoke to you about running similar classes and would love to look at those projects again. More art classes please, not just life drawing. I don't know of any arts venues where you're allowed to indulge yourself in more abstract qualities. Any ideas? I'd also love to see photography workshops, and perhaps sessions related to improving images for social media. How to take better selfies or maybe bump your Instagram profiles.	9/3/2020 1:34 PM
41	Just keep doing what you're doing, and survive covid-19!	9/3/2020 1:31 PM
42	it gets v hot in the space when there are club nights more advertising for the studiospaces	9/3/2020 1:28 PM
43	More local gigs... better advertising as often find out after events... maybe a monthly what's on email	9/3/2020 1:14 PM
44	better explanations of what to expect at a specific event	9/3/2020 1:10 PM
45	I'd love to see more dj events! It's always a good night at cobalt, and more artist events offered	9/3/2020 1:08 PM
46	Perhaps open to more different partners for nights, seems to be a lot of the same people putting things on. More and wider range of world music	9/3/2020 12:55 PM
47	If you're able to open in a safe way social-distancing-wise it would be really great.	9/3/2020 12:53 PM
48	Your program is good already.	9/3/2020 12:53 PM
49	Just keep doing what you're already doing	9/3/2020 12:52 PM
50	stay as you are	9/3/2020 12:48 PM
51	see above, I love the space and the artists I just need more info on what the events are with time to make arrangements and book.	9/3/2020 12:44 PM
52	More of the same!	9/3/2020 12:40 PM
53	More notice of when events are on	9/3/2020 12:40 PM

56	More affordable drink	9/3/2020 12:37 PM
57	Increase advertising	9/3/2020 12:33 PM

58	Bigger premises with more separate rooms/spaces for community and arts projects. Also warmer, the venue can be quite cold	9/3/2020 12:29 PM
59	alternative events to dance music, indie night, continued opening after an evening event with music, more spoken word	9/3/2020 12:29 PM
60	More events!	9/3/2020 12:28 PM
61	Maybe some better speakers but thats just me trying to think of something	9/3/2020 12:26 PM
62	Air-con/ventilation for club nights? Otherwise not much.	9/3/2020 12:24 PM
63	More regular studio openings More food based events	9/3/2020 12:24 PM
64	By being open more and able to keep offering diverse entertainment. Maybe facilitating/inviting greater involvement from community groups	9/3/2020 12:22 PM
65	safe space	9/3/2020 12:22 PM
66	Bigger programme; more African music	9/3/2020 12:21 PM

73	More advertising. Support for the LGBTQ community	9/3/2020 8:42 AM
74	your owner makes me very uncomfortable. Often walks in at workshops and tries to guilt trip people. I hear a lot of stories about poor treatment of staff and generally find the place mismanaged and unprofessional.	9/3/2020 7:47 AM
75	More artistic classes especially for children.	9/3/2020 7:35 AM
76	Expand along the block till you take over everything between Cobalt and Ernest!	9/2/2020 11:53 PM
77	I can't believe there isn't mention of the artists studios in this questionnaire? I think the cobalt 'offer' is great but lacks marketing and nobody has a 'narrative' about the 'what and why' ?	9/2/2020 9:51 PM
78	It's perfect - no improvement required	9/2/2020 8:46 PM
79	Keep going	9/2/2020 8:02 PM
80	community programming especially communities from Byker	9/2/2020 7:48 PM
81	be granted later hours! more toilets	9/2/2020 7:34 PM
82	hmm ...	9/2/2020 7:34 PM
83	None	9/2/2020 7:19 PM
84	women only toilets	9/2/2020 6:17 PM
85	Not sure if it's possible but an event which somehow combines Ernest and cobalt spaces would be really cool	9/2/2020 5:40 PM
86	In the early days of Cobalt events were comparatively expensive / financially inaccessible - but this has definitely been addressed. (Which is even more impressive knowing Cobalt continues to treat musicians/artists VERY well and pay them the wages they deserve!) Keep doing what you are doing. Keep trying to get more people attending events. Be sustainable. Cobalt is great!	9/2/2020 3:12 PM
87	Toilets	9/2/2020 2:53 PM

106	Just become more successful (not just financially) so you can keep going and doing more	8/21/2020 10:20 AM
107	Bogs are a bit convoluted and lighting in corridors unattractive. Poor choice of 5 % premium lager on draft. No nice outside space for drinkers or smokers.	8/21/2020 10:07 AM
108	Not sure. Don't have an expertise to comment but rather than improve I would ask how you do more of what you do	8/21/2020 7:34 AM

110	Better advertising - you've had some great artists that people didn't know were on	8/20/2020 11:18 PM
111	There is nothing you could do to make a better night. From the staff on the door to the beauts behind the bar I wouldn't go anywhere else.	8/20/2020 10:19 PM
112	Nothing to improve!	8/20/2020 10:10 PM
113	Keep doing different stuff	8/20/2020 10:08 PM
114	To be funded to keep open and keep programming excellent events.	8/20/2020 9:56 PM
115	the food is always amazing. outdoor space to hang out would be amazing. An alternative quieter place to chat when there is a club nigh on would keep it busier all night.	8/20/2020 9:42 PM
116	I would like cobalt to keep doing what it is doing!	8/20/2020 9:16 PM
117	I can't honestly think of any improvement. It's a little rough around the edges (like the toilets) but that's half the charm!	8/20/2020 9:10 PM

119	Just stay open	8/20/2020 6:21 PM
120	If (when things went back to normal) you did what you do on a Thursday or weekday nights too, although perhaps with a more clubby artist to end with, that might attract two different kinds of crowd. I'd also be down for supper club type events, fun lectures/workshops, drinks	8/20/2020 5:47 PM

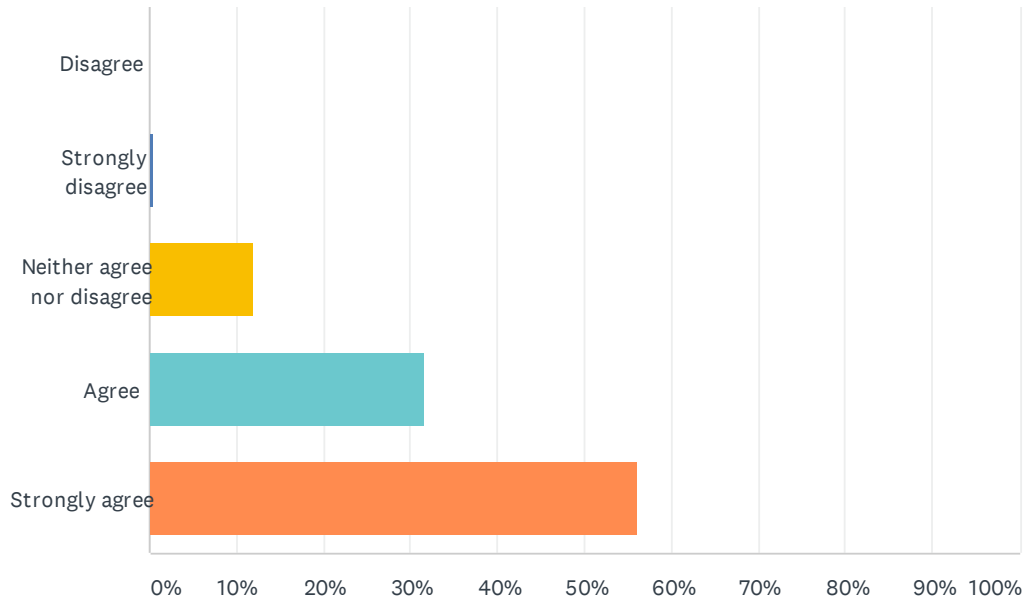

and arts/crafts sessions, or anything where the audience is encouraged to interact with each other.

121	you're already perfect	8/20/2020 5:19 PM

149	More variety in music nights ( like synth please )	8/19/2020 11:39 PM

151	More practical workshops DIY ect...	8/19/2020 11:12 PM
152	Try to engage more online, i feel like you have such a great space alot of people know about but not everyone has been. It would he great to hear about other things going on more regularly and maybe have some better content? Videos / photographs. Also, not a huge one but the sound system could be a little better maybe some front stacks instead of the booths facing the crowd	8/19/2020 11:10 PM

9	It's a lovely space	9/4/2020 7:10 PM
10	Small, independent, alternative venue for all creative types.	9/4/2020 7:09 PM
11	Cobalt is a fantastic space, not just in size for performers and events, but a fantastic, welcoming place, that can inspire and encourage people of all ages, genders and cultures due to its inclusive, trusting, welcoming and supporting nature and ideals. I think there is only The Star and Shadow Cinema that is anywhere near close enough in size and in ambition to host a variety of events... all day and all night. All staff have been incredibly helpful and friendly, while the owners when in contact and in communication have been noting but considerate, thoughtful, warm, approachable and kind with their time. Places like Cobalt are getting few and far not just in the North East but in the UK in general. We need to help out which ever way we can and support places like Cobalt and the people behind the scenes running the place.	9/4/2020 6:36 PM
12	It offers a programme of music that is cutting edge. Tickets are affordable, making it an accessible place to listen to new music. Newcastle needs cobalt!	9/4/2020 4:57 PM
13	Its an amazing space, that's easy to get to and I've only ever had really fun nights at :) Its clear to see you care deeply for the music and arts scene and that makes Cobalt a place I am more than happy to give my full support to	9/4/2020 4:20 PM
14	There are very few venues in Newcastle I enjoy to go to, simply down to the vast majority of venues in the centre of town having unwelcoming and intimidating door staff. Unfriendly vibes once you get inside. Cobalt is slightly out the way of the centre of town, so generally I guess the crowd who attend any club nights etc know about the artist playing rather than passers by popping in on the way to their final destination, because of this the crowd is diverse and friendly. You are with like minded people in an easy going environment!	9/4/2020 3:26 PM
15	i like going there	9/4/2020 3:15 PM
16	driven by a passion for culture, rather than money. too few venues like this in our city. I'd genuinely be gutted if cobalt didn't make it through covid.	9/4/2020 2:38 PM
17	See above - one of the few places for good/alternative electronic music	9/4/2020 11:40 AM
18	Every event that I've been to at Cobalt has been a really positive well organised and brilliant experience	9/4/2020 10:32 AM
19	Cobalt is a vital grassroots community and platform for a wide range of people across the City and wider region. It adds significant value to the Ouseburn and wider city through its promotion and support for artists, performers and events in general.	9/4/2020 10:00 AM
20	As an art teacher I think it is important to have venues like the cobalt to keep connected to the arts and to encourage our students to visit and experience.	9/4/2020 8:44 AM
21	It's the only venue I get excited to visit.... knowing what you will attend will be new, cultural, ethical and overall an exciting learnedly experience	9/4/2020 6:44 AM
22	Nothing like it in Newcastle	9/4/2020 12:32 AM

23	It's integral to the development of the culture of the city to have places like cobalt that foster community, provide platforms for local people of all ages and entertainment for all. As a music venue and nightclub it has developed an international reputation for being a must-have date for touring artists from all over the world. The owners and staff are super-friendly, welcoming and inclusive. It bridges the gap between live music venue and club DJ venue perfectly with a banging sound system, and well thought out lighting and layout. I've enjoyed performing at cobalt several times and can quite honestly say it's my favourite venue in the world. Hands down.	9/3/2020 11:09 PM
24	Only place I can be techno clubbing one week, and at a poetry slam the next, and at experimental gig a few days later. Also feels very friendly and safe.	9/3/2020 10:24 PM
25	had some good times	9/3/2020 9:24 PM
26	Thank you. I don't think any of what you have done over the years has been easy, especially not now, please know there are many cheerleaders for you, and all this hard work is so appreciated and enjoyed!	9/3/2020 8:47 PM
27	Great space and alternative	9/3/2020 7:35 PM
28	It is the place I go to for culture in Newcastle and this is more important than I can say to my wellbeing and maintaining a curious mind	9/3/2020 6:37 PM
29	sums up what living/working in Ouseburn is about. genuinely independent ( i think). always seems ahead of the curve. willing to take chances on events (?)	9/3/2020 6:19 PM
30	I really appreciate how the Cobalt treated me as a musician when I performed there last year. I always enjoy watching live music there, it feels a genuine place. It is probably my favourite live music venue in Newcastle, along with possibly Bobik's.	9/3/2020 5:34 PM
31	There's nowhere like it in the city. Its feels safe. It feels like a community. You see with same faces and become friendly.	9/3/2020 5:33 PM
32	They put on unusual and interesting niche events	9/3/2020 5:22 PM
33	Because everything's matter mate	9/3/2020 5:22 PM
34	Inclusive venues are rare in Newcastle	9/3/2020 4:53 PM
35	Provides an affordable venue to experience culture - not something I have the opportunity to do regularly	9/3/2020 4:34 PM
36	There's nowhere else like it, it's accessible, creative, experimental & welcoming	9/3/2020 3:00 PM
37	We've seen and heard some excellent music at Cobalt. The atmosphere is relaxed, friendly. Its affordable too. Thanks.	9/3/2020 2:58 PM
38	There are who;e categories of fringe music that would not find any other outlook in Newcastle. The pricing make it accessible. Being able to participate in creative activity (life drawing in my case, which is only feasible with a group in a sympathetic space) is hugely beneficial mentally and is life affirming.	9/3/2020 2:58 PM
39	Alternative...inclusive...creative offerings	9/3/2020 2:51 PM
40	Independent, artist-led spaces with a strong community focus are vital. It provides genuine pathways for those involved in creating culture. It gives back to the community that supports it and I've had some cracking nights out there.	9/3/2020 2:50 PM
41	A non corporate space to enjoy music is really important to me.	9/3/2020 2:33 PM
42	It's one of the best venues in Newcastle, I like the crowd it attracts and the events it puts on	9/3/2020 2:23 PM
43	It's a friendly environment, no hassle, no attitude.	9/3/2020 2:22 PM
44	The music is really well curated. Even though lots of the gigs i've been to have been bands I didn't know about, they've all been great	9/3/2020 2:02 PM
45	Unique space for weird and wonderful things to happen in.	9/3/2020 2:00 PM
46	Not a typical 'club', but that's what Newcastle needs!	9/3/2020 1:37 PM
47	I'm old enough to remember places like Spectro Arts workshop and Projects UK, which were	9/3/2020 1:34 PM

both in the centre of Newcastle. I used to love underground venues where you could hear experimental bands or new-comers doing something different, venues that were off the beaten track. So many venues are full of good acts but many of them are commercially motivated. There's not much experimental stuff out there. I loved the life drawing classes because the models felt like they were real, warts-and-all human beings instead of professional models. I've seen all of these and more at Cobalt. I can't wait for you to return to normal operation.

48	It's my favourite place for a night out in Newcastle, in the best area (ouseburn), and offers good workshops	9/3/2020 1:31 PM
49	It's a unique space that allows for people who dont want to go to to go out and have a good time. I havent seen much of the studios but it's important we have spaces like that to grow our creatives... it's hard to find studios etc	9/3/2020 1:14 PM
50	we need arts and creativity which is not mainstream. This space is inclusive and interesting. It is leading Newcastle in fringe performance and participation.	9/3/2020 1:10 PM
51	I've had so many great memories that have come from the unique experience that cobalt offers to Newcastle, and personally I know my university experience wouldn't have been the same without it! It allows you to connect to people with similar tastes and express that passion.	9/3/2020 1:08 PM
52	A safe space for friends and myself. A positive force for the city. Whilst I do not use the creative spaces I appreciate how important these are to local artists	9/3/2020 12:55 PM
53	I've always enjoyed my visits - which haven't been very frequent. I admire the Cobalt ethos and very much hope that you're able to survive this awful hiatus. I worry so much about those running small venues and all of the artists, performers and event promoters. I know it was hard enough to survive financially before CV-19 and can't imagine how challenging it is now. Good luck...	9/3/2020 12:53 PM
54	Is a good place to enjoy alive music and dance. It also serves great food!	9/3/2020 12:53 PM
55	It's one of the nicest clubs in Newcastle, on top of having some of the best selection of non-club activities throughout the day. It also houses amazingly diverse musical nights which make for a lot of fun, not to mention they're always either cheap or free!	9/3/2020 12:52 PM
56	it has a different platform for music and an engaging means of presenting it	9/3/2020 12:48 PM
57	Welcoming space Nice people Interesting art music and performance	9/3/2020 12:47 PM
58	I love art and opportunity to see more	9/3/2020 12:44 PM
59	Vibrant art, parties, culture & creativity! Love buying direct from artists at open studios	9/3/2020 12:40 PM

61	First date with my girlfriend was there, showed her a really weird music set and somehow we're still going out	9/3/2020 12:37 PM
62	Cobalt matters to me because it's a space I can go to where I don't feel judged and I can go to do the things I enjoy that help me maintain my wellbeing	9/3/2020 12:33 PM
63	Because there's nowhere else that's as encompassing, accessible and affordable for people wanting to get started (or just join in) in the arts in Newcastle	9/3/2020 12:29 PM
64	Its somewhere I would feel safe as a single woman, attending on my own, the importance of this can't be underestimated and is very rare. The variety and quality of the events offered are unparalleled in a smaller and inclusive venue	9/3/2020 12:29 PM
65	Cobalt matters to me because it is one of the best venues in the city	9/3/2020 12:28 PM
66	Basically my favourite venue in Newcastle. World Head Quaters is good but cobalt just feels nicer and you actually serve lush beer and not cheap cans	9/3/2020 12:26 PM
67	It is my favourite music venue in the city - unique events are incredibly important to me and I think it is a fantastic, inclusive community-focused space. It would be a travesty if Cobalt couldn't continue and a massive loss to the North East cultural scene.	9/3/2020 12:24 PM
68	It's a unique and welcoming space where something different happens	9/3/2020 12:24 PM

70	it is part of the interesting alternative arts and culture scene in Newcastle which I enjoy (and have missed recently!)	9/3/2020 12:21 PM
71	Adds to the diversity of culture in the Ouseburn valley.	9/3/2020 12:20 PM
72	In my last couple of years at University, I was so thankful that my friends and me found Cobalt. The best nights were had there, from the Life Drawing to the Live Music. There is nothing quite like Cobalt in Newcastle, or indeed anywhere else I have been so far.	9/3/2020 12:17 PM
73	I gravitate towards it for the atmosphere of creativity and fun.	9/3/2020 12:13 PM
74	My answer is conveyed through the pervious questions	9/3/2020 12:13 PM
75	I've never had a bad time in cobalt. I always leave with a smile and wanting more	9/3/2020 12:13 PM
76	It brings people together and is accessible for all people. a variety of music is played there so it doesn't feel closed off to just one crowd. whether you like dub, world music, afro beat, folk or big fat techno it can accommodate for all	9/3/2020 9:57 AM

79	It's a one off and autonomous.	9/3/2020 8:42 AM
80	its nice to have a venue that isn't ran by SSD - but just because you are independent does not mean i can turn a blind eye to all the BS	9/3/2020 7:47 AM
81	My son was able to access a drawing session. This is near impossible to find inside or outside of school.	9/3/2020 7:35 AM
82	Because it puts on things that otherwise would t have an appropriate platform	9/3/2020 5:10 AM
83	Always feel welcome and unhurried, no stress. Great hosts, great entertainment. It's an important Ouseburn hub.	9/2/2020 11:53 PM
84	The studios are great, the music venue has potential, Earnest is great - there is no effective marketing of the whole 'block' or offer - this is totally doable but maybe needs a fresh approach?	9/2/2020 9:51 PM
85	Cobalt is a unique place. I enjoy it for gig nights. It's very raw, not pretentious, friendly and puts on events you don't find anywhere else.	9/2/2020 8:46 PM
86	Positive space during a dark time	9/2/2020 8:02 PM
87	it's fun	9/2/2020 7:48 PM
88	it's on my door step and attracts like minded people, often has events on that musically, i like	9/2/2020 7:34 PM
89	its always provided great events with great people	9/2/2020 7:34 PM
90	It's a unique place in the city which offers a platform and space for alternative culture and events. I have had so many amazing experiences in cobalt which I would never have had in other venues. I have seen a chamber orchestra, listened to world music, seen world class DJs, festivals which support female music and it is a space for Newcastle creatives to create more of the art and music which makes newcastle the city it is.	9/2/2020 7:19 PM
91	It makes me feel alive!!	9/2/2020 7:13 PM
92	very time ive been to the cobalt, ive had a great time!	9/2/2020 6:17 PM
93	It's my favourite place to go in Newcastle and before cobalt the city had nothing like it. The way that cobalt has grown art culture and the music scene within Newcastle has been incredible. Spaces like cobalt are so valuable as without cobalt we would not be able to grow the city in this way. Newcastle has generally been known for its Geordie shore type clubbing experiences in the past and cobalt offers a space for more matured clubbing culture with people who actually care a lot about the music. Hands down always the best crowd in	9/2/2020 5:40 PM

newcastle. The bookings are always top notch and unique I've had my best nights out in Newcastle at cobalt it is truly a magical experience.

94	There is no where else I can access consistently brilliant and diverse programming. Cobalt is a safe and inclusive space. Cobalt pays musicians/artists a fair wage. Cobalt lives to support those that are otherwise marginalised and exploited by the broken music industry.	9/2/2020 3:12 PM
95	It's about not being another back-slapping mouth piece for the forelock tuggers and grant drainers! It's about standing up and taking risks. It's about genuinely caring about the great people in our wonderful city. I see the good that's being done by yourselves, and it makes me happy.	9/2/2020 2:48 PM
96	Cobalt is a part of the alternative Newcastle and as important as the Riverside club was in its day. It is somewhere where older alternative people can feel comfortable.	9/2/2020 2:44 PM
97	It matters because it's good to have an arts and cultural organisation which cares about The community around it as well as it's regulars.	9/2/2020 2:30 PM
98	The city needs venues and spaces with more soul, who are up for trying things aside from the bog standard. like what cobalt does	9/2/2020 12:34 PM
99	Space where different things happen	9/2/2020 12:32 PM
100	I'm new to Newcastle and have been looking for the alternative scene and ways to meet people from the community. Cobalt seems to offer open-minded, interesting and considered events that I would really love to attend. The program is one which suits my interests and I've not been able to find that from a venue yet.	8/29/2020 5:37 PM
101	Gives the city a little space to imagine a bigger and better world.	8/29/2020 9:02 AM
102	One of the best nights I've been to in Newcastle	8/23/2020 5:13 PM
103	See artists there that would possibly not otherwise have a space to perform	8/23/2020 3:45 PM
104	A night out in Newcastle where I feel safe	8/22/2020 8:57 PM
105	We require a space to be able to collaborate and feel part of the wider community. As someone who works 9-5 during the week it can be easy to become more of a recluse in terms of interacting with the wider community. Colbalt helps give me a a wider sense of community which benefits my mental health greatly.	8/22/2020 11:54 AM
106	The Cobalt has proved the best venue for Storytelling in the region. A Bit Crack Storytellers have been made a better organisation, since having the Cobalt as their main space for training and performance events.	8/21/2020 11:33 PM
107	I've had really good female centred experiences, it feels like an inclusive and safe place for that. I've also seen experimental acts that wouldn't have been programmed elsewhere and that's so important for a diverse arts scene. Local artists also have a great affordable venue for workshops and exhibitions.	8/21/2020 10:32 PM
108	I feel completely safe on a night out when at cobalt. They provide a safe space for creatives to connect.	8/21/2020 7:46 PM
109	Local, independent, friendly	8/21/2020 6:25 PM
110	See above. I'm happy to live in a city which has something like Cobalt, it's one of my favourite places!	8/21/2020 3:44 PM
111	It's a palce I can go to see interesting grassroots music in a comfortable atmosphere.	8/21/2020 2:50 PM
112	As a student who dislikes studentification, I feel that Cobalt provides a safe space for productive and meaningful interactions between students and local residents. Good for community cohesion, and makes me feel part of something bigger than the restricted student community.	8/21/2020 2:07 PM
113	Because it's an awesome place to spend time in and socialize	8/21/2020 1:30 PM
114	.....	8/21/2020 1:29 PM
115	It's a venue that strives to provide a brilliant range of arts and events in a space that is constantly changing and improving to make it as accessible and open as possible	8/21/2020 10:20 AM

116	It's different!	8/21/2020 10:07 AM
117	Being independent (minded and funded) is important and gives trust and confidence that whatever cobalt does has value and builds cohesive and supported communities	8/21/2020 7:34 AM
118	Cobalt matters to me as it is an inclusive, welcoming and unique place. I am new to the venue and what it has to offer and it genuinely excited me when I came across it and I would love to see it survive and continue as it gives me something to look forward to. I love the alternative, artistic, musical and creative scene cobalt offers to performers and fans. It's something you don't tend to come across much in Newcastle. Places like cobalt should be treasured.	8/21/2020 12:43 AM
119	Its just a great little hangout - great atmosphere, interesting programming and often filled with people of all ages - a real community hub	8/20/2020 11:18 PM
120	Cobalt is life.	8/20/2020 10:19 PM
121	It is important to have a venue that expresses all these values and is enjoyable!	8/20/2020 10:10 PM
122	One of the best things in Tyneside	8/20/2020 10:08 PM
123	It's a great locally run and community focussed venue bringing diverse events to a wide cross section of the community.	8/20/2020 9:56 PM
124	Cobalt is the place that brings my best friends together with the lovely people of the toon. Offering so much from unique daytime activities, a place to see up and coming artists, to a safe haven to boogie and enjoy evenings with great music and great lighting visuals with great pals. We love cobalt.	8/20/2020 9:52 PM
125	I just love it. its so so so lush and inclusive	8/20/2020 9:42 PM
126	Cobalt is a unique space with a wonderful inclusive feel	8/20/2020 9:16 PM
127	The whole crowd and staff are lovely, friendly. The alternative club nights are a much needed antidote to city centre clubs. The djs usually play my sort of music. I ♥ cobalt	8/20/2020 9:10 PM
128	Interesting venue	8/20/2020 8:51 PM
129	It's one of the only places in Newcastle that puts on truly alternative/experimental music that I know of. Always a good mix of people - old & young. It has a very unique feel to it of being club/bar/art venue all in one.	8/20/2020 8:29 PM
130	It's more of an alternative music scene and it feels inclusive, non threatening and is a lush place to go. Really like the aesthetics too!	8/20/2020 7:58 PM
131	It offers something different than anywhere else in the city, that feels accessible to anyone (not just students or the after work set) and introduces me to great artists, from near and far.	8/20/2020 5:47 PM
132	its a place where I met people with Simi interest	8/20/2020 5:19 PM
133	I think Newcastle's alternative night scene is already very limited, and Cobalt is essential to maintaining it.	8/20/2020 5:05 PM
134	As mentioned previously, alternative venues are dying out. Its important to keep independent venues open to help the community and to support new artists of all genres	8/20/2020 4:47 PM
135	.	8/20/2020 4:25 PM
136	Experience quality interesting new music in a warm and friendly space.	8/20/2020 4:22 PM
137	Cobalt gives me an eye into the creative parts of my city that I don't get to see in other parts of my life	8/20/2020 3:45 PM
138	Cobalt holds a lot of different events that I always enjoy going to, it's a great night out and place to go. I always see what is on at cobalt when I'm searching for somewhere to go	8/20/2020 2:59 PM
139	It's one of the very few places where I enjoy clubbing with a great crowd and music	8/20/2020 1:32 PM
140	A lovely community space with a broad range of events. Would be tragic if it went(plus it's a great local venue)	8/20/2020 1:32 PM
141	Important to have pockets of creative communities in our toon!	8/20/2020 1:04 PM

142	I've met some of my best friends there. It also changed the way I viewed Newcastle as an international student	8/20/2020 12:11 PM
143	It is one of the only venues that put on music that i like and that i feel comfortable being in.	8/20/2020 11:50 AM
144	Excellent small venue for alternative culture	8/20/2020 11:45 AM
145	Cobalt is the only venue where I've really enjoyed night life in Newcastle. Lots of that is to do with how the venue is set up (i.e level DJ booth, small capacity) but it also has a DIY feel, lovely clientele and staff, gender neutral toilets, and diverse and interesting programming. If I lived closer I would go there all the time.	8/20/2020 11:02 AM
146	Because it's a place where I can enjoy myself and not feel like an outsider.	8/20/2020 9:37 AM
147	Being part of an independent arts community since leaving Lonon has really opened by eyes to the scene here in Newcastle and helped me feel more connected.	8/20/2020 9:34 AM
148	Together with Ernest these two places are my favourite spaces in the city. They are just encompass everything I love, great atmosphere, brilliant events, good food and drink.	8/20/2020 9:29 AM
149	Cobalt offers a culturally important space without it. For a small regional city like Newcastle Cabolt provides the city's residents with an opportunity to experience music and art which offer an expansive view of the world. There is nowhere like it	8/20/2020 9:14 AM
150	For the same reasons mentioned above. It is my favourite venue in newcastle for a lot of reasons and newcastle wouldn't be the same without	8/20/2020 9:11 AM
151	It's unique in its mission, and the surrounding area would be culturally poorer without it.	8/20/2020 8:58 AM
152	You always know you will have a good night, tickets are affordable, it's full of like minded people, it's such a. Range of nights it opens your mind to new things which is refreshing	8/20/2020 8:48 AM
153	Unique space that promotes art that isn't available elsewhere in the city	8/20/2020 8:31 AM
154	It's such a lovely space. Everyone is so friendly and lovely. It really is a community space	8/20/2020 7:51 AM
155	Cobalt is one of a few venues in Newcastle which I can call home. Had some great nights here as well as made some friends for life. Every time you go here you feel inclusive no matter whether you come here on your own or with your friends, you always feel welcomed	8/20/2020 7:29 AM
156	Unique space in Newcastle, allows to connect with other like minded individuals	8/20/2020 6:56 AM
157	Some thing different to the city centre, offers a wide range of music events even if they are not going to be big sellers	8/20/2020 4:46 AM
158	It matters because it's one if only two clubs in Newcastle that are actually good and not just your regular shite Geordie shore night out	8/20/2020 1:22 AM
159	Because its the place in Newcastle that makes me feel along with star and shadow that art can be used to create a kinder community and world.	8/20/2020 12:50 AM
160	Because events that come to Cobalt are events I would never find anywhere else	8/20/2020 12:10 AM
161	I go to Newcastle for the music nightlife (events) and no venue like cobalt does it better in terms of intimacy	8/20/2020 12:04 AM
162	It provides a fun and open space for artistic expression and has been the venue for many memorable moments for me and my friends.	8/19/2020 11:45 PM
163	Beautiful nights with beautiful people	8/19/2020 11:39 PM
164	Cobalt matters to me because it allows for experimentation and exploration of music and art in a way that is very rare. It helps people discover new interests and knowledge and facilitates a freedom of expression that is pretty unique in this day and age. While much can be found on the internet these days there really is no substitute with interacting with a new passion in a tangible space and there is no better way to meet like-minded (and differently-minded) people than going to an event at Cobalt.	8/19/2020 11:32 PM
165	Keeps the hub of the community alive which crosses the bridge between students and creative folk any age as a healthy venue.	8/19/2020 11:12 PM
166	Probably the most unique experience for someone as far as club nights go, its my favourite	8/19/2020 11:10 PM

venue with the best staff, best bouncers and a good host.

167	It's a great place on our doorstep. Always welcoming and great place to hang out. Nothing like it in Newcastle.	8/19/2020 11:09 PM
168	Having fun - making memories with friends. Too many students are fed up of crappy club nights in town - you offer something exciting.	8/19/2020 10:59 PM
169	A good and safe place	8/19/2020 10:57 PM
170	Last sanitised club left in ncl	8/19/2020 10:55 PM
171	It's a safe space	8/19/2020 10:54 PM
172	Good quality community focused	8/19/2020 10:47 PM
173	Really friendly staff, great atmosphere	8/19/2020 10:42 PM
174	Fun, offers a lot of different things that I wouldn't have otherwise heard/seen/experienced if they hadn't been hosted in this well marketed venue	8/19/2020 10:31 PM
175	There are so few genuinely independent and inclusive spaces in the city. It would be a real shame to see Cobalt close as it is a community-minded space which platforms exciting and alternative arts and culture. Please don't let Newcastle's nightlife become bland, corporate and homogenous!!!	8/19/2020 10:25 PM
176	its a unique place offering a change from.the norm. It is unexpected beautiful and puts on performances to make you think beyond the event you chose to attend	8/19/2020 10:06 PM
177	if it is to be a cultural venue, we need them.	8/19/2020 10:05 PM
178	One place to go out and feel completely comfortable and safe (never been groped woo!) Always make friends and chat to strangers who are friendly, great events supporting small business and individual artists.	8/19/2020 9:58 PM
179	It's given me a space to find new art and support those artists. I've made lots of friends from the community as a result of events and nights here. It's such a unique space in Newcastle as well and helps give it an identity.	8/19/2020 9:57 PM
180	There's nowhere else like it!	8/19/2020 9:52 PM
181	Gives me a safe space to enjoy music and culture	8/19/2020 9:35 PM
182	As above	8/19/2020 9:18 PM
183	I'm relatively new to the city and rely on places like Cobalt to develop a social connections. The kind of inclusive club nights that you guys put on are my form of spirituality.	8/19/2020 9:07 PM
184	Its a community space that is easily accessible and could do alot for the area.	8/19/2020 9:03 PM
185	I appreciate our City, I have lived here all my life. But, in a world that is increasingly homogenised with same old (new) businesses, same faces, no innovation. I don't want to see another chain. I want to see more independents. I want to be greeted warmly and genuinely by a business that is local, treats me as an individual, understands, invests in our local people and knows us and what we want!	8/19/2020 8:54 PM
186	Good memories	8/19/2020 8:45 PM
187	You offer a cool venue with a diverse mix of events. Nothing is commercial or ordinary and my favourite night; Born Lippy is hosted at Cobalt! The staff are so lovely and the atmosphere at events is welcoming!	8/19/2020 8:43 PM
188	Cobalt has given me the opportunity to entertain crowds, provided a platform to many of my contemporaries to perform and created a really relaxed space for people to come together and share new ideas and sounds	8/19/2020 8:38 PM
189	I love the vibe and aesthetic of the place - I think it's truly unique and spacious. I've attended life drawing classes there and the venue was great for painting the model, the lighting made for some interesting colours. It's also one of the only venues I've gone for gigs and club nights where I've felt entirely safe and there hasn't been a lick of trouble.	8/19/2020 8:31 PM
190	i met the most amazing people who are now not just some people i met but some amazing	8/19/2020 8:30 PM

8	Creative work shops, hat making, hot glue guns, sewing classes	9/4/2020 7:10 PM
9	I recently oversaw a collage workshop at Cobalt which ran super smoothly and felt like success, people from Edinburgh and Durham came along to take part!! Id also like to curate a day/night of overlooked, curious sounds, showcasing the more experimental side of music with performers, films and workshops. The North East has a lot to offer and i often feel that this type of music is sometimes left behind for more conventional, straight forward styles..	9/4/2020 6:36 PM
10	/	9/4/2020 3:26 PM
11	Surprise me!	9/4/2020 10:00 AM
12	Have really enjoyed the life drawing- would maybe be worth having a session aimed at younger adults that schools could be involved with. More interaction with sixthforms would be good?!	9/4/2020 8:44 AM

17	fun basic events like the electronic sampler workshop , anything garagey punk	9/3/2020 6:19 PM
18	Perhaps more pay as you like gigs with local acts. Charging £8 to watch three good acts is totally reasonable on the face of it but unfortunately people seem to have got used to the pay as you like model, for better or worse. I'm not sure how this could be enforced given the space but I think in general keeping entrance fees low in future might well help. It is a shame really because Cobalt value musicians whereas others do not	9/3/2020 5:34 PM
19	More indie bands?	9/3/2020 5:33 PM
20	My band Vigilance State (!), but only when we feel it's safe to perform (we don't yet!)	9/3/2020 5:23 PM

23	Leave that to the experts!	9/3/2020 4:34 PM
24	Some theatre suitable for the small space would be good, but maybe Alphabetti are already doing this.	9/3/2020 2:58 PM
25	Not really - I would welcome increasing adventurous in the programming so I ca discover things I didn't previously know about. I've discovered many new artists through the 'FRESH' series of events, so more of that sort of thing.	9/3/2020 2:58 PM

32	I would like to see some Christmas craft events coming up. If we could make these affordable great. .. I have been to a few at the lang but at £40 pp I cannot really afford them	9/3/2020 1:14 PM
33	more performers which do not fit a box	9/3/2020 1:10 PM

124	No, the diversity makes me want to visit	8/19/2020 9:35 PM
125	I would like to see Cobalt more open and flexible to outside promoters - paricularly at weekends. Otherwise, Cobalt was really just getting into its stride with a varied and interesting programme when COVID-19 struck.	8/19/2020 9:18 PM
126	Push Back, craft workshops and maybe amateur group music lessons.	8/19/2020 9:07 PM

132	Bob Log was meant to perform in the Cluny in May, but I think he'd do a good show at Cobalt. I'd also love to have more affordable long-form painting classes available in Newcastle - the kind where you can paint a model/still life for a whole/half a day. Most classes are only 1-2 hours and do short poses.	8/19/2020 8:31 PM

7	I truly hope Cobalt can reopen its doors and receive much need attention financially and lovingly from the public and beyond. It would be a tragedy if such a spot were to be restricted in opportunities, and by opening hours. I know a lot people who are rooting for you and have nothing but love for the Cobalt staff, punters and owners. Its a tough, delicate and demanding time, no question. Just try and remember people care about you and will no doubt want to help you and support if you need that extra hand. Much love, stay focused...every day the light gets nearer to a more measured and hopefully safer way of being together again. Take care, Graeme.	9/4/2020 6:36 PM

31	Just a big thank you for providing the experience that you do, and I really look forward to returning whenever back in the toon!	9/3/2020 1:08 PM
32	I admire the Cobalt ethos and very much hope that you're able to survive this awful hiatus. I worry so much about those running small venues and all of the artists, performers and event promoters. I know it was hard enough to survive financially before CV-19 and can't imagine how challenging it is now. Good luck...	9/3/2020 12:53 PM
33	I'm eager to enjoy some alive music soon!	9/3/2020 12:53 PM
34	I hope that Cobalt hasn't been suffering too hard throughout Covid-19.	9/3/2020 12:52 PM

48	That you've done an amazing job and cobalt is probably my favourite creative space in newcastle	9/3/2020 9:57 AM
49	You are a great asset to the underground scene in Newcastle. Without you alot of DJ's wouldn't be able to play as they are too alternative	9/3/2020 8:54 AM
50	I don't know why but your not on my radar when I think about going out.! You have everything I love to see in a venue.	9/3/2020 8:42 AM
51	you have a perception for treating staff poorly. Zero hour contracts etc - I heard several ex staff say they were told by the owner they were not allowed to work at other venues in the ouseburn. Its hard to support a community space when there is little care for the community	9/3/2020 7:47 AM
52	Keep up the good work xx	9/2/2020 11:53 PM
53	Keep going. Get some new critical thinking - Define what the brand is and set out a positive narrative: Why are you doing it? What have you achieved ? What are all the exciting next steps ? How can people help?	9/2/2020 9:51 PM
54	I hope you can open soon! It's missed!	9/2/2020 8:46 PM
55	the venue feel really fun and open, but not inviting. it feels like only a relatively small community of people know about it and get involved	9/2/2020 7:48 PM
56	well done! keep going xx	9/2/2020 6:17 PM
57	Thank you for everything over the years I have been coming to cobalt	9/2/2020 5:40 PM

60	Keep up the good work :)	9/2/2020 12:34 PM

64	Please keep doing what you're doing! It's greatly needed!	8/22/2020 11:54 AM
65	A Bit Crack and our audiences - of all ages - think the Cobalt is wonderful in it's concept, in it's evolving construction and in the commitment that been shown in putting it all together and in the collaborations that you have inspired.	8/21/2020 11:33 PM
66	You're a really valuable addition to the Ouseburn especially as you're not for profit and promote alternative music and arts.	8/21/2020 10:32 PM
67	Keep pushing!	8/21/2020 7:46 PM

86	Not that I can think of!	8/20/2020 4:22 PM
87	Cobalt is a real heartbeat in Newcastle that would be devastating to lose. Every time I go it's abundantly clear that it's run by people who really care about art in all its forms and want to create a space for it	8/20/2020 3:45 PM
88	Just that I'm thankful for the venue and the diverse range of events cobalt put on for different people to enjoy and for to tailor to people's different moods and vibes	8/20/2020 2:59 PM

102	You're great	8/19/2020 10:47 PM
103	don't shut if you can, the fact you rallied for soundproofing and got funding from the arts Council to prevent being shutdown for more student accommodation is a win for Ouseburn and this victory is well needed for community morale and identity!	8/19/2020 10:31 PM
104	Please don't close !!! We would support fundraising events if needed	8/19/2020 10:25 PM
105	keep doing you x	8/19/2020 10:06 PM

108	I enjoy coming here	8/19/2020 9:35 PM
109	The owners have worked so hard to make Cobalt work for everyone - purposefully keeping prices down and making the programming diverse and inclusive. It would be a tragedy if we lost this community resource now.	8/19/2020 9:18 PM
